

## Twin Sister

### You need

1 2.5" white strip at least 18" long

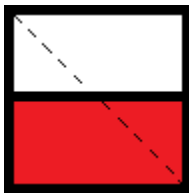

1 2.5" colored strip at least 18" long

Sew strips together:

Subcut the stripset into 4 squares 4.5" each

Cut each square diagonally to make two triangles and ensure each square is cut from the same corner

Separate the triangles into two groups, one for the 4 triangles with predominantly colored strip and one for the 4 triangles with predominantly white strip

Arrange each group of matching triangles to form a square:

and

sew back together and square to 5.5"
