

Cracker

Summer 2017 Charity Block

Unfinished block size: 7.75" square

<http://www.modabakeshop.com/2010/10/a-ritzy-cracker-quilt.html>

or Google cracker quilt pattern for other tutorials

You need

2 - 2.5" x 5" colored rectangles

2 - 2.5" x 5" white rectangles

1 - 2.5" x 5" white rectangles

OR

1 - 2.5" x 5" colored rectangles

1 - 5" colored square

1 - 5" white square

1 - 4.25" white square

1 - 4.25" colored square

** I cut a 5" strip for the 2.5" x 5" rectangles anyway, so I just used a 5" square for both colored and white instead of a 4.25" and had extra room to square up

Instructions

1) Sew 3 rectangles together alternating color and white:

Or

2) Square edges if necessary

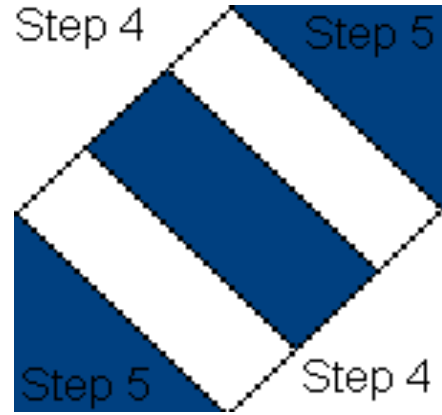

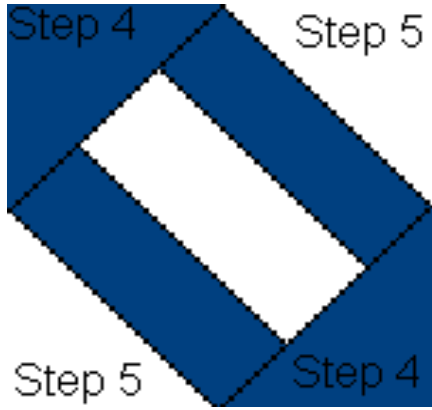

3) Cut each of the squares in half diagonally

And

4) Sew triangles matching the outside rectangles to the edge of the rectangle strips with the 2.5" side

5) Sew triangles matching the inside rectangle to the edges of the rectangle strips with the 5" side

Or

6) Square up block to 7.75"
